Sync the Met East Calendar to Stay Up to Date

Follow the steps below to sync the Met East and District calendars to your personal device.

Important Info:

Once a MET East Calendar has been synced to your device, any changes made to event information should be reflected on your device within ~24hrs, depending on the configuration of your Calendar program or app.

Select Your District

All districts have their own dedicated calendar.

Click on your district to open the specific calendar.

Sync Calendar

You can sync an entire Calendar to your device using the 'Download' option on mobile or cloud icon on desktop.

Copy the URL at the bottom of the pop-up and add it as a new Calendar in your preferred calendar app.
