Selections	Metropolitan East School Sport selection committee will use the results from this event to invite students to be part of the 2027 MESS Triathlon/Aquathlon team. The team is capped at 10 male and 10 female places in each of the four divisions (Aquathlon 11-12yrs, Junior, Intermediate and Senior Triathlon). Finishing in the top 10 at the 2026 Triathlon Qld All Schools event (MESS regional trial) doesn't guarantee you a place in the MESS team. A further 6 male and 6 female per division – Junior, Intermediate and Senior will be invited to compete in the aquathlon event at the State Championships. Students wanting to gain selection in the MESS Triathlon team should enter and race in the triathlon event. If a student wants to be considered for the MESS Aquathlon team they should race in the aquathlon event. If a student competes in both the triathlon event and aquathlon event and qualifies in the top 10 triathlon and top 6 aquathlon, they only can accept one invitation to either the MESS triathlon team or MESS aquathlon team for the 2027 State Championships. Students will be advised of their selection in the Metropolitan East team via e-mail, using the details provided on the All Schools student nomination form.
